The End

Castle Bingo

Kai, the butler, knows every nook and cranny of the castle. What about you?
Explore the Arendelle castle by playing this bingo game!

HOW TO PLAY

This is a game for two players and a bingo caller. **CUT OUT** the tokens and the castle room pictures from the inside back cover.

GLUE them to cardstock and **TRIM** to fit. **PLACE** the castle room cards into a bag, then **GIVE** 9 tokens to each player.

The bingo caller pulls out a castle room card from

the bag and calls it out. Both players must check their boards for that room picture. If they have it, they cover it with a token. The first player to cover their board with tokens and shout "bingo" is the winner.

Attic Treasures

The castle attic is a large space full of precious memories. Anna, Elsa, and Olaf are tidying things up and reminding themselves of what they have stored there.

TIDYING UP!

The attic is full of family mementos. **TURN** to the inside back cover and **CUT OUT** the pictures.

USE the coordinates to find out where to stick the items in the graph to put them away.

PLENTY OF STORAGE

There are lots of crates in the attic, and Anna is adding some more. **DRAW** and **COLOR** the crates so there is only one of each color in each column, row, and mini-grid.

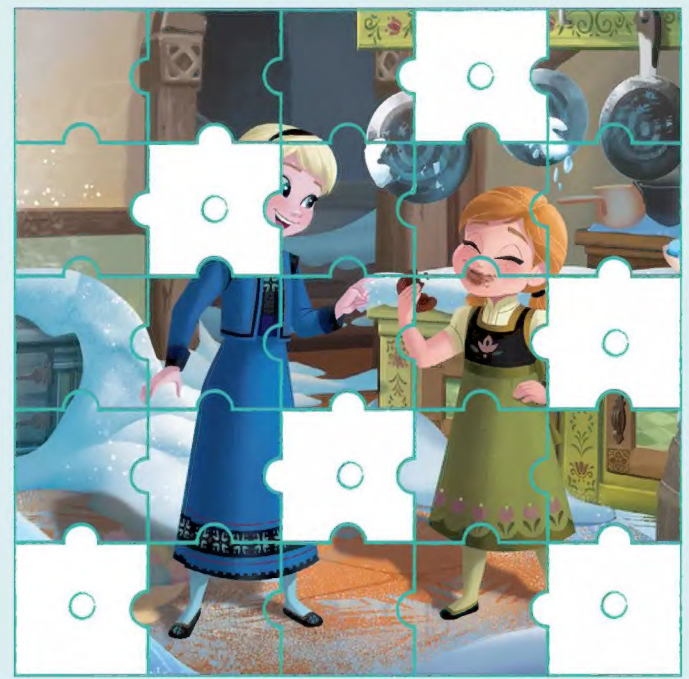

The Heart of the Castle

The kitchen is one of the busiest rooms in the castle. All the meals are created here, including the banquets for special occasions.

SWEET MEMORIES

Anna and Elsa remember some of their best times spent in the castle kitchen. They were often up to mischief! Re-create this memory by **CONNECTING** the puzzle pieces to their places in the picture.
